RE: Material Safety Data Sheet

To Whom It May Concern:

This letter is for your file to insure compliance with O.S.H.A. regulations and standard coverings CCW MiraDRAIN and CCW MiraDRAIN HC (1" High Capacity) composite sheet drain, CCW 711-90, CCW 200V/300HV Protection Course, PRM Roofing Fabric, CCW-500 Reinforcement Fabric and your request for Material Safety Data Sheets.

CCW MiraDRAIN, CCW MiraDRAIN HC (1" High Capacity) composite sheet drain, CCW 711-90, CCW 200V/300HV Protection Course, PRM Roofing Fabric, CCW-500 Reinforcement Fabric are articles as defined by the Federal Hazard Communication Standard, CFR 1910.1299 therefore; no Material Safety Data Sheet is being required for these products.

Sincerely,

A handwritten signature in black ink that reads "David Leslie". The signature is written in a cursive, flowing style.

David Leslie
